

Welcome to RAF Menwith Hill Housing Office.

Personnel should check into the Housing Office within 48 hours of arrival; your sponsor can arrange an appointment for you. If suitable Government properties are not available, or if you prefer to take a property on the economy with a private landlord or agent you will be passed to the Housing Referral Office. Government housing is very limited at Menwith Hill and most families tend to rent properties in the local area.

The Harrogate area is a beautiful part of the UK, set in stunning countryside. The Housing Referral Office has a variety of property types available for viewing; country cottages, apartments, houses and modernised conversions in town and villages. Please register with www.ahrn.com to view available properties. The website allows you to contact the landlords or agents through the message system and ask specific questions about the property and local amenities. Do not be tempted to sign a lease before arriving in the UK and actually seeing the property yourself, completing the journey each way and seeing the local area to ensure it meets your needs; photographs can be very deceptive.

If you prefer to take a property through a local agent, we are happy to guide you through the process, but advise you not to pay any fees or sign anything without first letting Housing Referral staff read a lease agreement. We will provide you with a list of letting agents when you check into the Housing Office.

I hope this has answered any questions you may have. If you require further information, please do not hesitate to contact us. We look forward to meeting you soon.
