MEMORANDUM FOR ALL INCOMING PERSONNEL

FROM: 55 CES/CEH
3116 Lockbourne Drive
Bellevue NE 68123

SUBJECT: Housing Information

1. On behalf of the employees of the Housing Management Office (HMO), I would like to extend to you and your family our sincere welcome to Offutt AFB. We are confident that you will find your assignment here both challenging and rewarding.

2. Privatized Housing: Offutt Military Family Housing was privatized on 15 September 2005. America First Communities (AFC), a partnership consisting of local real estate managers, designers, and builders, were the developers that revitalize our military family housing communities. The rent for Privatized Housing for accompanied personnel is based on the Basic Allowance for Housing (BAH) at the "with dependent rate." If you are military married to military, the rent will be the BAH rate of the ranking military member at the "with dependent" rate. A one year lease between Rising View (community name) and resident is required, and rent must be paid by allotment. All referrals to Privatized Housing must be made through the HMO. All eligible military members assigned to the local area are required to process through the HMO upon arrival and prior to signing a lease for Privatized Housing. Assignments to PH are made only to personnel who have arrived PCS at the installation and have initiated base in-processing procedures. You must provide a copy of your in-processing checklist at the time of your "PH Briefing" and before you are committed to PH. To learn more about housing privatization, please visit Rising View's web site at: <http://www.risingview.com>.

3. In addition to Privatized Housing Referral Briefings, the HMO provides rental briefings to include information on the local residential landlord and tenant laws. Here you will find pictures and information plus obtain an e-mail link to the customer who is listing the property. The HMO cannot guarantee the availability of all the homes listed as these listings are subject to change on a daily basis.

4. The housing office and Rising View Leasing office are co-located at 3116 Lockbourne Drive, in the Capehart Housing area. Customer service hours are Monday through Thursday, 0700 to 1645, and Friday, 0730 to 1615. In addition, Rising View's duty hours are 0730-1700 Monday through Friday and 0900-1300 on Saturday. Rising View personnel can be reached by calling 402-991-9840 or DSN 272-6713. If you desire any additional information please do not hesitate to contact us at (402) 294-6242 or DSN 271-6242. Our commercial FAX number is (402) 294-9763 or DSN 271-9763.

GENERAL HOUSING INFORMATION

All military personnel, including unaccompanied and single personnel are required to process through the Housing Management Office (HMO) prior to entering into a rental lease agreement. The office will provide you information of any restricted housing areas, if applicable.

The cost of hotels and motels can range from \$350 to \$500 per week. As few apartment managers consent to pets, should you have a pet, your options may be limited. As such, if your assignment occurs during the summer months, and you have a pet, we would assess your temporary housing opportunities as critical. If you find a temporary rental unit that accepts pets, you may expect to pay a non-refundable pet fee in an amount equal to one-fourth of one month's rent. Most families have to board their pets at a kennel or, more ideally, with friends in the local area.

Eligible military personnel, E1 through E9 and O1 through O6 can submit advance applications for Privatized Housing (PH) at your current base of assignment by visiting your housing office, and filling out an "Application for Assignment to Housing," as well as providing two copies of your Permanent Change of Station (PCS) orders to accompany the application. In the remarks section of the housing application you will forward please give your permission to release information contained on your application for Privatized Housing to the Rising View Communities Staff for processing your request (i.e. "I give Offutt Housing Management Office permission to release information off of my application to members of the Rising View Communities Staff, for Rising View Privatized Housing" You may also complete an application on line at www.housing.af.mil. If you do not provide an advance Application for Assignment to Housing, you may apply as a "walk-in when you arrive at the Offutt AFB Housing Management Office ".

PRIVATIZED HOUSING INFORMATION

All housing units were conveyed to America First Communities (AFC) on 15 September 2005 as part of the Military Housing Privatization Initiative (MHPI). Rising View Communities, operates, maintains, and will manage them until 2055, and has revitalized the housing communities. Privatization has brought improvements and improved the quality of life for military families stationed at Offutt.

Although privatized, we will continue to support your housing needs. Military members are required to visit the HMO before making housing arrangements. The information provided below includes an overview of privatized housing and a brief description of the application process. If you have any questions, please call DSN 271-6242, Commercial (402) 294-6242 or FAX DSN 271-9763, Commercial (402) 294-9763

PRIVATIZED HOUSING OVERVIEW

Privatization has brought significant improvements within the housing community. Including the renovation of 484 homes, construction of 914 homes, walking trails, full and half basketball courts, sand volleyball courts, soccer fields, picnic pavilions, 61 new playgrounds, and "The Pointe at Rising View" a 5600 gross square feet facility with a 150 max person capacity available to housing residents, for meetings, weddings, birthday parties, etc.

You will be required to sign a one-year lease, at the end of the first year you go month to month and you will not be required to sign a month to month lease. Your Basic Allowance for Housing (BAH) is based upon your current rank and dependent status, and your rent will be equal to your BAH, you do not pay for utilities.

Rent for military members married to a military member, without dependents, will be based on the "with dependent" rate for the senior ranking member (the junior ranking member will still collect BAH and keep the difference).

(2014 BAH rates):

- Without dependent BAH rate for E5 Married to E4 is \$897.00 plus \$783.00 which equals a combined total BAH of \$1,680.00
- Rent for E5, with dependent rate, is \$1,194.00
--\$1,680.00 minus \$1194.00, rental rate, the difference the junior ranking military member gets to keep is \$486.00,

Service: The Metropolitan Utilities District (M.U.D.) provides natural gas to customer-owners in Omaha, Bennington, Fort Calhoun, Yutan, Springfield and parts of Bellevue. It also provides safe drinking water to customer-owners in Omaha, Bellevue, Offutt Air Force Base, Elkhorn, Waterloo, LaVista, Ralston, Carter Lake, and the Papio-Missouri River Natural Resources District (which supplies water to Fort Calhoun). M.U.D. also provides a cost-saving service to municipalities by collecting sewer use and trash pick-up fees.

New Customers: To apply for service, call M.U.D. at 402-554-6666 or 1-800-732-5864 between 7:30 a.m. to 5:15 p.m. New M.U.D. customers will receive an information package and acceptance letter which outlines the terms of service. Homeowners also are asked to supply the names of the realtor and mortgage holder when applying for service. New customers usually receive gas service the day after contacting M.U.D. Service may take a longer period of time for a customer who is building a new home.

Deposits: If you have a letter of credit reference from another utility – showing the last year’s good payment history – or are currently a M.U.D customer with a good payment record, no deposit is required. You can also waive a deposit by having your monthly bill automatically deducted from your bank account. If a deposit is required, it is generally \$50 to \$200 depending on the number of services provided. After 12 consecutive months of timely payments, the deposit is credited to your account with interest.

Bill Paying Locations: Most customers mail their monthly payment and stub in the return envelope provided. Monthly bills also may be paid in person at M.U.D.'s downtown office, OPPD, or most banks, or savings and loan associations, or Hy-Vee grocery stores.

Customer Conveniences:

- Budget Plan:** Customers may join M.U.D.’s Budget Plan and pay the same amount every month regardless of seasonal changes. Your budget amount is based on your annual charges divided across a 12-month period. Your monthly payment amount will be reviewed during the budget year to verify projected natural gas and/or water use. If necessary, an adjustment to the monthly payment amount may be made. At the end of the 12-month cycle, a credit or debit balance is automatically factored into the next cycle. When your account balance is a credit figure, we pay interest to your account. Call 554-6666 to apply.
- Bank Draft Payment:** With the Bank Draft Payment Plan, there is no need to worry because your gas and water bill will be paid automatically every month – just like direct deposits and other automatic payments from banks. Forget about stamps, writing checks and late payment fees. You will receive a copy of your bill every month about two weeks prior to the withdrawal. To sign up, call 554-6666.
- Emergency Service:** To report a gas leak or water leak emergency, call the M.U.D. Emergency Service number, 554-7777.
