TEMPORARY LODGING ALLOWANCE (TLA)

The following information is provided to inform you of TLA policies IAW the Financial Management Regulation (FMR), AFI 32-6000 and AE 37-4.

____ TLA is authorized to partially reimburse you for more than normal expenses incurred as a result of occupying temporary quarters. It is authorized in the PDS (Permanent Duty Station) area only.

____ Reimbursement is based on availability of either government or off-base economy housing, whichever is earlier, regardless of whether you are applying for government housing or prefer to live off-base. If you elect off-base housing you must aggressively seek off-base housing and provide a landlord contact sheet when you file your TLA reimbursement request. Your TLA must be reviewed in 15 day increments. Within the first 15 days, you should view a minimum of three dwellings. Each subsequent 15 day increments, you should view at least an additional six dwellings. A Rental Contract should be obtained and submitted in the first 30 days. Continuation of TLA will be based on your demonstrated diligence in seeking permanent housing and availability.

____ **If you refuse to occupy available government-controlled quarters, TLA is terminated the first date Furnishings Management Section (FMS) can deliver loaner furniture to the available quarters.** A “No Show” for a scheduled FMS delivery or self-pick-up within the PDS area from the warehouse constitutes termination of TLA. If an economy contract is furnished, TLA is terminated the contract effective date.

____ **If you choose to initiate a rental contract for a home that is not readily available, or that has not been inspected by our office, TLA may be terminated if the housing manager determines there are adequate homes are available for immediate occupancy.**

____ Personal preference issues such as, furniture limitations, school districts, and size are NOT justification for an extension. To continue to receive additional TLA, you should only look at rentals that are immediately available due to the limited number of days TLA authorized and the time it takes FMS or TMO to deliver loaner furniture to the economy. **TLA extensions will not normally be approved when referral listings are available within your bedroom entitlement, Overseas Housing Allowance (OHA) ceiling, and commuting distance. TLA extension requests must reach the housing management office before the end of the 60 day arrival period. Approval/Disapproval authority is USAEUR G1.**

**Additional situations may apply and are subject to KMC Housing Office approval.

SEX OFFENDER DISCLOSURE AND ACKNOWLEDGEMENT

Attach to application for military, government-managed and privatized housing

I, _____, have read and understand the policy. By signing this document, I certify under a penalty of perjury that neither I nor any person living in my household is a registered sex offender or required to register as a sex offender. I understand I am required to notify the installation housing office immediately if circumstances change so that this certification is no longer true. I understand the policies, procedures and consequences below apply to those persons who will reside with me, all of whom are listed on the DD Form 1746, *Application for Assignment to Housing*.

POLICIES

Air Force Installations requires full disclosure from persons applying for military, government-managed or privatized housing who are sex offenders or who intend to have dependents who are sex offenders reside with them.

If you, or an authorized dependent who will reside with you, are found to be registered or are required to register as a sex offender under the laws of any state, you could be denied residency in Air Force military, government-managed and privatized housing.

If you, anyone living in your household or visitor is found to be a sex offender after you take occupancy, you may be subject to eviction and/or barment from the Installation.

Installation Commanders are authorized to approve or disapprove applications from persons for residency in military, government-managed and privatized housing when they or another prospective resident of the home is a sex offender.

PROCEDURES

Applicants who cannot sign this form because they or a dependent who will reside in the home with them is a sex offender will be required to submit written information and documentation, which may include but is not limited to the following, in order to be considered for housing by the Installation Commander:

1. Whether the sex offender is the military member, civilian or dependent.
2. Nature and circumstances of the offense.
3. Exact criminal statute or law under which the person was convicted.
4. State or jurisdiction where the offense occurred and was adjudicated.
5. Elapsed time since the offense was committed.
6. Age of the offender at the time the offense was committed.
7. Age of the victim at the time the offense was committed.
8. Evidence that tends to demonstrate offender's rehabilitation, exemplary conduct, or other commitment to obeying the law.
9. Whether the conviction requiring registration has been reversed, vacated, or set aside, or if the registrant has been granted unconditional pardon of innocence for the offense requiring registration.
10. Conditions of parole/probation or monitoring, if any.

CONSEQUENCES

Falsification of this form or any other information pertaining to your criminal history or sexual offenses will result in immediate denial of your application for or retention of military, government-managed or privatized housing.

Recommended Insurances to Protect You from Financial Disaster

Accidents happen and, in Germany, they can be expensive. Three essential but affordable insurances can save you and your loved ones from costly harm.

Private Liability Insurance (Private Haftpflicht)

One simple mistake can cost you thousands. If you accidentally injure someone or damage their property, private liability insurance covers the costs. From leaky washing machines to cracked bathroom tiles and scratched flooring, you may find yourself owing your Landlord a decent amount to cover renovation costs. Even if you knock over an expensive item in a store, damage a friend's belongings, or cause an accident as a pedestrian or cyclist, this insurance pays for claims and legal fees, preventing financial ruin.

Renters Insurance (Haustratversicherung)

Imagine losing everything to a fire, burglary, or water damage. Renters insurance protects your belongings, including furniture, electronics, and clothing. It also covers costs if your home is uninhabitable due to damage. This small investment ensures you won't have to replace everything out of pocket. If you currently have a renters insurance policy through your stateside agency, be sure to make them aware that you are currently international, to ensure that the coverage is applicable in Germany.

Pet Liability Insurance (Haustier Haftpflichtversicherung)

If your dog bites someone or damages property, you are legally responsible. Pet liability insurance covers medical expenses, legal fees, and repair costs, protecting you from expensive claims. Some breeds are even required by law to have this coverage, making it essential for pet owners.

Get Covered Today

These insurances are affordable, but invaluable in protecting you from financial hardship. Contact your preferred insurance provider today or search online to compare policies and get the best coverage for your needs.

LANDLORD CONTACT SHEET - TLA REVALIDATION

I understand that I must aggressively search for housing to continue to qualify for TLA. Housing may not be turned down because the landlord does not accept pets or because the house is not in a preferred school district. It is **MANDATORY** that I validate my TLA claim in the Housing Office **every 10-15 days**. Unexcused failure to comply with the diligent search requirement could cause forfeiture of TLA entitlement.

ECONOMY HOUSING FACT SHEET

RENTAL LISTINGS:

There are many resources that can be utilized to obtain rental information; however, to ensure that rental properties have been inspected and are approved by Housing Referral, rental listings should be obtained on www.homes.mil, the only DOD sponsored website.

REAL ESTATE AGENTS:

The use of a real estate agent, or German "Immobilien," is usually not necessary due to the availability of off base housing and should only be used as a last resort. The tenant does not have to pay a finder's fee unless he retained the realtor's services to him a house or an apartment. Only if the realtor is solely and exclusively working for the tenant, starting the search for a house or an apartment after he received a request to do so from the tenant is necessary. Reimbursement of a realtor or Immobilien fee is NOT authorized by the Housing Office, and therefore, would be an out of pocket expense for the service member.

RENTAL CONTRACTS:

A rental contract is a legal binding document between you and the Landlord. The Housing Office is not a party to the agreement, but merely certifies it's correct and that personnel assigned to the KMC have accepted an economy unit for occupancy. IAW USAFE Policy, service members assigned to the KMC, must use and have an approved Rental Agreement thru Housing Management prior to start any entitlements. In the event of disputes between Landlord and Tenant, except for the terms and conditions specifically addressed in the contract, the provision of local rental laws will apply. The Legal Office is also a source of information for German Rental Laws and Landlord/Tenant issues.

SECURITY DEPOSITS:

A security deposit protects the Landlord from financial loss if Tenant causes damage to the property or does not clean property when rental agreement/lease is terminated. The security deposit **cannot** be used as the last month's rent. It is usually equal to one month's rent, but can be up to three month's rent.

ADVANCE OHA (MILITARY ONLY):

Ask a Housing Counselor about advance OHA for security deposit or advance rent. The Counselor can provide a blank copy of the AF 1039, and the member must have the form signed by their commander before taking it to finance. Army members must go to their S-1 to request advance OHA on the 4187. Deferred security deposits must be paid back to finance when terminating the lease.

COMMENTS:

If you locate a housing unit that is not listed with Housing Referral, an inspection must be performed to ensure minimum adequacy standards are met. Have the Landlord call Housing Referral at 0631-536-6643/6659 to schedule an off-base inspection and be sure to let them know if you are in TLA status. Contracts will not be approved and housing allowances (OHA/LQA) will not be initiated prior to the inspection.

VAT (VALUE ADDED TAX):

A 19% VAT is levied on all utility bills. EXCEPTION: water is 7%. A program exists to help service members save the VAT on utility bills. Contact your local VAT Office to check your eligibility and complete necessary paperwork to sign up for the Utilities Tax Avoidance Program (UTAP) so you can get the tax relief. Also, due to the number of families who depart without paying their utility bills, some utility companies will charge a deposit.

DISCRIMINATION:

The Air Force is committed to equal opportunity and treatment for all DoD personnel seeking housing and to eliminate discrimination against DoD personnel in housing. It is the responsibility of the Housing Office representatives to counsel members on DoD equal opportunity policy in community housing and member's obligation to immediately report suspected discrimination. Any act, policy or procedure that arbitrarily denies equal treatment in housing because of race, color, religion, sex, national origin, age, handicap, or familial status to an individual or group of individuals must be reported to the Housing Office immediately. The Housing Flight Chief will immediately initiate a review in cooperation with installation and community agencies.

Winter Issues in Germany

Winter is upon us! To prepare for the upcoming winter weather, keep the following in mind to ensure that you are protecting yourself by complying with our host nation's laws.

Snow & Ice Removal

Under German law homeowners are often responsible for keeping walkways, sidewalks and driveways free of snow and ice accumulation. Failures to do so may result in pecuniary liability should someone slip and fall on your property and become injured.

"But I'm not the homeowner!" You may still be liable. Many rental contracts shift the responsibility of snow and ice control from the homeowner to the tenant making the tenant personally liable should a mishap occur from the tenant's failure to remove accumulated snow or ice. If you're not sure whether you're responsible, check your rental contract!

What do I need to do?

Here are some tips to help you to know what to do to ensure that you are fulfilling your responsibilities:

- Remove any snow/ice accumulation on your property that could cause an ordinary person taking standard precautions to slip and fall.
- Removal of snow accumulation is an on-going duty. This may require the tenant or homeowner to shovel their property throughout the day. The "I was at work all day" excuse will not work.
- You are responsible for the driveway and walkways on your property. This includes the pedestrian walkway and half of the street in front of your home.
- Make sure to purchase a good snow shovel and sufficient salt early on. In heavy snow years, shovels and salt can become increasingly scarce.

How can I protect against liability?

While taking the precautions listed above will likely prevent most accidents, the best way to protect against monetary loss is with liability insurance.

Liability insurance protects you against claims from individuals who sustain injuries on your property. In the event someone slips and falls on your property, liability insurance would pay the claim on your behalf rather than you personally paying out of pocket.

You can likely obtain liability insurance from your current auto, renter's, or homeowner's insurance carrier. It is typically relatively inexpensive, but may prove very useful in case of an accident.

Automobile Issues

Along with your property, you must also make sure your vehicle is prepared for winter conditions. German Federal law requires the use of suitable tires when road conditions are icy. There are two different types of tires that will generally satisfy this requirement. These tires will have one of two markings indicating that they are rated as appropriate for driving in snowy and icy conditions. These tires marked with "M+S" (indicating Mud and Snow tires) or with a snowflake (indicating snow tires). If you are found driving in winter conditions without the appropriate tires, you could be fined €60 and given a point against your license. In case of creating an obstruction, an endangerment or even an accident, this fine could increase in €20 steps up to €120.

As a final winter driving tip, be aware that it is against the law in Germany to let your vehicle run idle unnecessarily, for example to allow your vehicle's engine and interior warm up. Along with the environmental consequences, you could be fined €10.

Don't become a Victim!

What's yours is yours and what you can do to help keep it that way!

One of the most frequent calls that Security Forces receives concerns vehicle break-ins. The common thread in all vehicle break-in's isn't whether the vehicle is secured or unsecured but what valuables are laying out in plain site! The 5 top high value items stolen from vehicles are:

1. Navigation Systems
2. iPods
3. Gas Cards
4. Cell Phones
5. Wallets and Purses

Tips to help keep what's yours, both in your vehicle and in your home!

1. Lock your vehicle at all times! It only takes a second for someone to snatch your GPS if you have your car unlocked.
2. Remove all high-value items from plain site! For example the GPS in the above example can be snatched in seconds in an unsecured vehicle but it doesn't take much longer to bust the window and grab it if it's in plain sight!
3. Remove the GPS mount from the window when not being used. Also wipe off the suction cup marks from the window that are caused by the GPS mount. This is just a signal to the crooks that you may have one in your glove box.
4. Park in well-lit and well traveled areas, or better yet in a locked garage.
5. Always lock the doors to your home or dorm room, not only when you are out but even when you are at home. By locking the doors even when you are home you can deter unauthorized entry and prevent assaults. Use exterior lights to illuminate dark areas. Trim back bushes and hedges beneath windows. When you will be gone for a period of time, ask a trusted neighbor or friend pick up your newspapers and mail so it doesn't accumulate at your front door.
