MEMORANDUM FOR 35 CES/CC

FROM: 35 FW/CC

SUBJECT: 35 FW Unaccompanied Housing On-Base Policy

1. The Air Force guidance for on-base housing occupancy rate is 95% IAW AFI-32-6000. Once this occupancy rate is achieved, unaccompanied members are authorized to seek off-base housing if they desire.
2. The current USFJ On-Base First Policy Memo (23 Mar 2012) mandates a 90% on-base housing occupancy rate before members are authorized to seek off-base housing.
3. Effective this date, unaccompanied members assigned to Misawa AB will follow the USFJ on base first policy letter guidance and may seek off-base housing once Misawa AB reaches the 90% occupancy rate.
4. To ensure that 90% occupancy is sustained, unaccompanied members in the grade of E6 and below shall be mandatorily assigned to on base unaccompanied housing. Members of higher grade may elect to occupy on base units as available.
5. If you have any questions, please contact Ms. Inok Antunes, 35 CES/CEIH, DSN 226-2394, inok.antunes.3@us.af.mil.

A handwritten signature in black ink, appearing to read "Michael P. Richard", is positioned above the printed name.
