**DEPARTMENT OF THE AIR FORCE**  
99TH CIVIL ENGINEER SQUADRON (ACC)  
NELLIS AIR FORCE BASE, NEVADA

1 August 2022

Welcome!

Congratulations on your selection or assignment to Nellis, Creech, & NTTR. We look forward to having you as a resident in our beautiful valley.

Nellis AFB is a member of the United States Air Force's Air Combat Command and the home of the Air Warfare Center, the largest and most demanding advanced combat training missions in world.

The 432<sup>nd</sup> Wing at Creech AFB is the Air Force's first remotely piloted aircraft systems wing. The 432<sup>nd</sup> Air Expeditionary Wing "Hunters" consists of combat-ready Airmen who fly the MG-1B Predator and the MQ-9 Reaper Aircraft to support United States and Coalition warfighters. The Hunters conduct remotely piloted aircraft system initial qualification training for aircrew, intelligence, weather and maintenance personnel.

The local area has low annual humidity of 20 percent and 310 days of sunshine (86 percent) with low annual rainfall of 4.13 inches. Summer day time temperatures average above 100 degrees while nights are pleasantly warm. Winter temperatures range from the mid-40's to the upper 60s. High velocity wind storms and accompanying dust storms occur occasionally.

Upon arriving, please visit our office or give us a call at 702-652-1840. You will be provided off-base and on-base housing information as well as maps and literature on the Las Vegas valley areas. If you are already here, please come by so we can educate you on the areas and services we provide.

We wish you a safe journey and look forward to welcoming you to the Las Vegas area!

## Assignment to Privatized Housing

Members exercising a local move without contacting the MHO and obtaining proper paperwork will not be reimbursed for the local move or storage expense.

### Storage of Excess Household Goods (Insufficient Space)

Member is entitled to government paid Non-Temporary storage of HHGs (**Furniture Items**) excess to needs while occupying PH. Requests must be made within 30-days of assignment to PH, a form will be provided by the MHO upon request.

AFI 32-6000, paragraph 10.2.10.4

- a. **Authorized:** Items determined to be impractical or unsuitable for use in the quarters. Generally, examples are items that are unusable due to design configuration or insufficient space in the housing unit (oversized beds, sofas, bookcases and books, dinette sets, china cabinets and associated china and crystal, and clothing required only in another climate)
- b. **Not Authorized:** Accessory household items, such as vacuum cleaners and other minor appliances and machinery (i.e., table and chain saws and craft equipment), trashcans, vehicles and vehicle parts, building material, suitcases, commonly used clothing, linens, small rugs, toys and other miscellaneous small items.
- c. Major appliances may be stored if like items are government-provided. (T-1)

## 2. OFF-BASE HOUSING

---

Current tenants and individuals seeking to rent property should consider including a "Military Clause" in their lease agreement. This sort of clause would allow a tenant to terminate their lease upon providing a thirty (30) day written notice to the Landlord given Tenant receives permanent change of station (PCS) to depart from Premises. Current tenants would need to amend their current lease agreement and should seek the advice of a legal assistance attorney to ensure the amendment is legally sound. New tenants should simply demand the inclusion of a "Military Clause" before signing the lease agreement.

An example of a "Military Clause" is included with this memorandum for your reference. This example can be modified according to the desires of the tenant, but it is recommended that a tenant speak to a legal assistance attorney before adding to or departing from this example for one reason or another.

# Military Clause Addendum

## Service Members Civil Relief Act (SCRA)

IN THE EVENT the Tenant is or hereafter becomes, a member of the United States Armed Forces on extended active duty and hereafter the Tenant receives permanent change of station (PCS) orders to depart from the area where the Premises are located, or is relieved from active duty, retires or separates from the military, is ordered into military housing by their commanding officer, or receives deployment orders, then in any of these events, the Tenant may terminate this lease upon giving thirty (30) days written notice to the Landlord. The Tenant shall also provide to the Landlord a copy of the official orders, or a letter signed by the Tenant's commanding officer, reflecting the change which warrants termination under this clause. The Tenant will pay prorated rent for any days which he/she occupies the dwelling past the beginning of the rental period.

The damage/security deposit will be promptly returned to Tenant, provided there are no damages to the Premises.

**Benefit and Protection No. 5      Residential (apartment) lease terminations      50 U.S.C. § 3955.**

Section 3955 of the SCRA, 50 U.S.C. § 3955, addresses the topic of lease terminations. With respect to residential apartment leases, the SCRA requires that the premises be occupied (or are intended to be occupied) by a servicemember or a service member's dependent(s). 50 U.S.C. § 3955(b)(1). Additionally, the lease must either be executed by a person who later enters military service, or is in military service and later receives permanent change of station ("PCS") orders or deployment orders for a period of at least 90 days. Id. at § 3955(a)(1). **To terminate a residential lease, the servicemember must submit a written notice and a copy of his or her military orders - or a letter from a commanding officer** - by certain methods to the landlord or landlord's agent. Id. at § 3955(c) & (i)(1). If a servicemember pays rent on a monthly basis, once he or she gives proper notice and a copy of his or her military orders, then the lease will terminate 30 days after the next rent payment is due. 50 U.S.C. § 3955(d)(1). If a servicemember lessee dies while in military service, the spouse of a lessee may terminate the lease within one year of the death. Id. at § 3955(a)(3)
