This handout provides pertinent information to assist you in your search for housing whether it is in our privatized housing, an apartment or rental in the local community. First and foremost, you should know about the fantastic homes managed by Balfour Beatty Communities on base. These homes are top-notch and offer you the added convenience of a short commute to work. In addition, Balfour Beatty Communities offers numerous fun-filled family events for you and your family to enjoy. If you are interested in exploring the possibility of residing on base, I encourage you to complete an application and AF Form 4422 (Sex Offender Disclosure) or stop by the housing office for additional information. The application and form can be found at www.vandenbergfamilyhomes.com under the heading Relocating Residents Apply Today or at www.housing.af.mil/vandenberg/. Or you can simply call Balfour Beatty Communities at 805-734-1445 or our office at 805-606-3434/1840 for more information.

If you are interested in finding properties off-base, please visit our DoD website at <https://www.Homes.mil>. This valuable website puts information right at your fingertips. You will be able to find suitable off-base rentals, such as, condos, houses, apartments, and rooms for rent.

Our services also include in-depth counseling, arbitrating landlord/tenant complaints, and providing information about California laws concerning tenant/landlord responsibilities. For your protection, we ask that all active-duty military members report to the Military Housing Office before entering into a lease.

Once again, congratulations on your assignment to Vandenberg. We are confident you will love it here on the central coast! Please contact our office at DSN 276-1840/3434 or (805) 606-1840/3434 if you have any questions concerning community housing.

ON BASE HOUSING

On 1 Nov 07, Vandenberg's Military Family Housing became privatized. Balfour Beatty Communities (BBC) is the private developer that is responsible for your on-base housing needs.

BBC's website with contact information and the on-base housing application form can be found at www.vandenbergfamilyhomes.com; their phone number is 805-734-1445. If you are eligible and have not previously submitted an application for housing, please do so. You must complete all elements of the form and provide a copy of your official orders, any amendments, DD Form 1746, AF Form 4422, LES, and any other necessary supporting documentation. The Military Housing Office is responsible for verifying your application prior to forwarding it to BBC. After verification, BBC will place you on the appropriate waiting list for your category/bedroom requirement.

Air Force Installations require full disclosure from persons applying for military, government-managed or privatized housing who are sex offenders or who intend to have dependents who are sex offenders reside with them. Therefore, applicants for Privatized or Unaccompanied Housing will be required to complete an AF Form 4422, Sex Offender Disclosure and Acknowledgement in order to be eligible for housing. If you, or an authorized dependent who will reside with you, are found to be registered or are required to register as a sex offender under the laws of any state, you could be denied residency in Air Force military, government-managed and privatized housing. Please log into www.vandenbergfamilyhomes.com and click on Relocating Residents Apply Today for further guidance and to access the application and disclosure form.

RENTAL/SALES INFORMATION

1. **Pursuant to AFI 32-6001 Chapter 7 Section 7.5, Counseling and Assistance:** Members are advised to seek counseling from the Housing Management Office before negotiating a rental or lease agreement for off-base community housing.

2. The following information is presented as a general guideline to off-base housing in the Vandenberg area.

a. **LEASE AND RENTAL AGREEMENT:** Many of the housing facilities in this area have a lease or rental agreement ranging from month-to-month to 12 months.

b. **DEPOSITS:** Cleaning or security deposits normally range from \$200 and up. Tenants normally pay their own utilities except water. Utility deposits vary according to rental area;

however, the average electric deposit is \$50 to \$250 to have the utilities turned on. At least a 24-hour notice is required.

c. **PETS:** Most facilities in this area will **NOT** accept pets. The ones that do accept pets usually have restrictions as to type, number, size, etc. If a pet is allowed, an additional deposit of \$250 or more per pet is required, plus an additional monthly fee in some instances. You should consider leaving your pet behind, if possible, until you have found suitable off-base housing. There are kennels available off base. Prices range from \$10 per day and up. All owners must show proof of up-to-date shots: DISTEMPER, PARVO, RABIES, and BORDETELLA. Pets are allowed with the family in 5 of the rooms at Temporary Lodging Facility with an additional fee per day.

d. **MOTELS:** There are over 14 facilities listed in this guide. Most are very expensive. Some of these facilities offer reduced rates when you identify yourself as a military member at check in. All motels charge a bed tax.

e. **MOBILE HOME PARKS:** There are approximately 20 mobile home parks off-base featuring very few rentals. Most parks are for seniors only. The monthly rental for spaces is \$500 and up.

f. **HOMES FOR RENT/SALE:** Housing referral maintains numerous listings of properties for rent from \$1500 & up. In addition to individual listings, there are over 30 real estate agencies/brokers listed in the guide. Newly built homes range from \$450,000 and up.

g. **APARTMENT GUIDE:** We have a complete listing of apartments for rent in the local community. To access the list please go to www.housing.af.mil/vandenberg/ and look under the Featured Documents tab or pick up a copy at the Housing Management Office lobby.

h. **CALIFORNIA LAW:** Requires a 30-day **written** notice of your intent to vacate a rental unit. The rent shall be payable for the entire 30-days notice.

NOTE: Before you actually agree to rent a unit, be sure you have completely checked all the costs involved. Landlords are not at fault, nor can they be expected to make exceptions if you rent a unit you cannot afford.

3. HOMEOWNER'S ASSISTANCE PROGRAM: The Homeowner's Assistance Program (HAP) authorizes the Secretary of Defense to provide financial aid to eligible military (including Coast Guard), civilian, certain overseas employees, and non-appropriated fund employee homeowners who have served or have been employed at or near military installations which the Department of Defense (DoD) has ordered to be closed or whose operations have significantly reduced and where real estate values have declined because of announced closure or realignment. Section 1001 of the American Recovery and Reinvestment Act of 2009 expanded the HAP authority to authorized the Secretary of Defense to provide financial aid to: members of the armed forces (30% or greater disability) who incur a wound, injury, or illness in the line of duty during a deployment in support of the Armed Forces on or after 11 Sep 01; wounded DoD and Coast Guard civilian homeowners reassigned in furtherance of medical treatment or rehabilitation or due to medical retirement in connection with a disability incurred in the performance of his or her duties during a forward deployment occurring on or after 11 Sep 01 in support of the Armed Forces; and surviving spouses of fallen warriors who move within two years of the death of such employee or member.

NOTE: HAP is subject to the availability of funds as appropriated by Congress to the DoD for the program and will cease when all funds are expended. At this time, applications are only being accepted from Wounded, Injured or Ill and Surviving Spouse applicants. There is currently no HAP approved for BRAC impacted personnel.

4. FORECLOSURE ACTIONS (Rental Properties): Military Members forced to move from a rental unit due to "under foreclosure action" of a property owner may be entitled to a government-paid move within the local community. Reference AFI 32-6001 1c3 dated 24 Oct 2008. Contact the Housing Management Office at DSN: 276-3434/1840 or (805) 606-3434/1840.

5. DISPUTE RESOLUTION AND HOUSING DISCRIMINATION: If you have an issue with your landlord or management company the housing office can help you mediate the complaint. Please call our office for information on what we can do to help. We will ask you to also submit your complaint in writing to the office with all supporting documents. If you feel you have been discriminated against, please contact our office immediately so that we may investigate the complaint. A landlord cannot refuse to rent to a tenant or engage in any other type of discrimination, on the basis of group characteristics specified by law that are not closely related to the landlord's business needs. Under California law, it is unlawful for a landlord to discriminate against a person or harass a person because of the person's race, color, religion, sex (including pregnancy, childbirth or medical conditions related to them, as well as gender and perception of gender), sexual orientation, marital status, national origin, ancestry, familial status, source of income, or disability. The Housing office, military equal opportunity, JA, public affairs and military and civilian personnel flights must maintain open and professional relationships to effectively respond to and assist personnel who report suspected discrimination during their housing search. The military housing office keeps a listing of all property agents and facilities that the Commander has imposed restrictive sanctions. Personnel moving into the area are prohibited from entering into a rental, purchase or lease agreement with the agent or facility that is under restrictive sanctions.

6. TEMPORARY LODGING: At times, there may be a shortage of off-base community housing. We recommend that you make reservations for on-base lodging, thus allowing you more time to seek off-base community housing. Reservations can be made at DSN 276-1844 or (805) 606-1844 or by visiting www.DoDLodging.net. There are 5 pet friendly units available for an additional fee per day. An immunization shot record of the pet(s) must be provided before check-in. A list of kennels for boarding is available at the front desk and in this guide. PURCHASING OR RENTING

1. Whenever you relocate, the question of buying or renting can be very difficult. Your lifestyle and financial situation need to be taken into consideration when you are trying to make this decision. You need to look at both your needs and resources objectively. Consider the following:
 - a. If you have accrued equity in a previous home or have adequate down payment funds and you are going to be here for a relatively long time, you may want to consider buying a home. Plus, buying has tax advantages and the interest you pay is usually deductible on your tax return. Home ownership is a good way to build equity for your next move if you buy smart.
 - b. Since you cannot be sure when you will receive PCS orders, think of the resale value when you buy. Buy a home that suits your lifestyle, fits your budget, and appeals to the greatest number of buyers.
 - c. Do not purchase the most expensive home in a neighborhood or the cheapest. Try to avoid subdivisions with homes at extreme ends of the price market. Most buyers prefer a neighborhood with homes in the general price range.
 - d. Remember if you buy a new home from a contractor who is still building and selling homes in the neighborhood, you will have to compete with them when you are ready to sell. Also, be leery of contractors who incorporate excessive financing concessions into the purchase price.
2. If you do decide to purchase, inquire about the different types of mortgages (VA, FHA, Conventional, Part 235, etc.) and contact loan departments from various lending institutions to determine the best deal for you. Check your budget to determine what you can comfortably afford for your monthly mortgage payments. Remember, living expenses also include yard maintenance equipment, electricity, water, telephone, cable, etc. Try not to be tempted to stretch your budget for the perfect home.
3. Beware of bargains! Some homes may have lots of character but when it comes to reselling there may not be many people willing to buy that type of home. A home that needs repair and is being sold “as is” can be a risky business if you don't have time to make the repairs. Most people are not willing to buy a home that needs extensive repairs.
4. If you are single, you may have a lifestyle that is quite different from families. Therefore, an apartment or town house may offer more opportunities to meet neighbors in similar situations. This type of environment can produce a feeling of belonging for someone without the support of a family. Renting might be the best alternative if you are single.
5. With the right information, you can become an informed consumer in the housing market. Remember to assess the different mortgage programs, check out available housing (rentals and sales), and identify your lifestyle. The success of your move is directly related to the wise decisions that you make in advance.

FINDING THE RIGHT PLACE TO LIVE

1. Whether you decide to rent or purchase, the following suggestions should help to make your task of locating acceptable housing around Vandenberg easier:
 - a. Determine what location and price range you desire. Talk to friends and people already living in the community. We can provide rental information, detailed sales/rental listings, real estate broker listings, and listings of professional apartment locators, apartment complex directories, maps, brochures, and information about the local community, the base, and much more.
 - b. Decide in advance what special features you are looking for. Would you like to live in a house or an apartment complex? If an apartment complex, do you want one with tennis courts, swimming pools, spas, gyms, game rooms, or other amenities? If a house, do you wish a modern, brick, frame, large lot, large rooms, lots of windows, near a park or a bus route, etc.?
 - c. When you visit a potential place to rent, your first impression should be a clean, well-maintained facility, and should evoke a feeling of a pleasant place to live. Check for any health and safety hazards, if any, notify the landlord immediately. However, do not rely solely on first impressions or appearances.
 - d. Talk to people who may be your neighbors. If you decide on an apartment complex, ask them if they have had a satisfactory relationship with the landlord. Ask about recent rent increases or monthly utility increases.

2. Before making a commitment, think it over a day or two. Make sure you understand your rental agreement prior to signing it. Is the deposit refundable, are there any hidden costs, do you have to clean up the place before you leave? If you have any questions, the housing staff will be glad to explain your lease. Upon moving out, remember a written 30-day notice is required by the state of CA.

3. Before moving in, go through the unit with the landlord and note the condition of every item, walls, ceilings, floors, blinds etc. The Unit Condition Record is included in this guide and the housing office can assist you. If you have a question about landlord-tenant relations, contact the Housing Management Office at (805) 606-3434/1840 or visit www.dca.ca.gov.

MILITARY CLAUSE

<http://www.dca.ca.gov> (CA Tenants/Landlord)

Every military tenant should insist that a “**military clause**” be included in the lease. The clause generally states that, subject to the payment of a specified amount, the tenant can terminate the lease. **It provides the military tenant a way to end a lease prematurely for reasons connected with military service (esp. PCS, Retirement, and Separation).**

Pay close attention to the Military Clause written in your Lease agreement or as an added addendum from your Landlord/Property Manager.

The military member must give the landlord or the landlord’s agent written notice of termination. The military member may personally deliver the notice to the landlord or agent, send the notice by private delivery service (such as FedEx or UPS), or send it by certified mail with return receipt requested. Proper termination relieves a military member’s dependent, such as a spouse or child, of any obligation under the lease.

The following is an example written in the CA Tenants guide (revised July 2012):

When rent is paid monthly, termination takes effect 30 days after the next rent due date that follows delivery of the notice. Rent must be paid on a prorated basis up to the date that the termination takes effect. If rent or lease amounts have been paid in advance for the period following the effective date of termination, the landlord must refund these amounts within 30 days after the effective date.

Example: The service member pays \$600 rent on the tenth of each month under the terms of his lease. The service member pays the rent on June 10, and then personally gives the landlord proper notice of termination on June 15. The date that termination takes effect is August 9 (30 days after the July 10 rent due date). The service member must pay \$600 rent on July 10 for the period from July 10 through August 9. By September 8, the landlord must return any rent paid in advance for the period after the effective date of termination. The landlord also must return any “lease amounts paid in advance” (such as the unused portion of the service member’s security deposit) by September 8. There is no standard military clause. The wording is a matter of negotiation between you and your prospective landlord. Your Legal Assistant Officer can help you before you sign the lease. The following is a recommended example of one military clause.

Termination of Residential Leases under Section 535 of the Service Member Civil Relief Act:

- 1) After signing the lease, the tenant enters military service (which includes a reservist being called to active duty).
- 2) The tenant signs the lease while in military service then receives military PCS orders.
- 3) The military member receives orders to deploy, or as an individual in support of a military operation, with a military unit for a period of not less than 90 days.
- 4) The member is discharged or relieved from active duty with the Armed Forces.
- 5) The military member has been “commander-ordered/directed move” to on-base housing as directed by the installation commander.

In some cases, renters invoking the military clause must pay 30 days rent if the notice to vacate given to the landlord is less than 30 days. **It is encouraged that the tenant and landlord sign some type of military clause.**

RECOMMENDED INSTRUCTIONS FOR CLEANLINESS

The following list is prepared as a guide for your use when vacating your rental. This guide may secure a return of your deposit if you leave the rental like you found it. It is a good idea to talk to your landlord or owner at least two weeks prior to your termination to agree on what is considered an “acceptable” condition.

1. BLINDS: Wash thoroughly and ensure that all dust, spots, grease, dirt and lint are removed.
2. WINDOWS: All windows should be cleaned thoroughly ensuring all grease, dust, dirt, oil, and stains are removed.
3. WINDOW AND DOOR SCREENS: All screens should be cleaned thoroughly ensuring all grease, dust, and dirt are removed from the screen and screen tracks in windows and doors.
4. BATHROOM FIXTURES: Clean bathtub, wash basins, soap holders, tooth brush holders, commode, medicine cabinet, towel closet, and ceramic tile surrounding tub area. Remove all rust, corrosion, fungus growth and stains from the tub, basin and fixtures. Chrome fixtures should be cleaned and polished. Be sure to use cleaners that are non-abrasive.
5. SINK: Clean thoroughly and remove all rust and stain spots from surfaces.

STANDARDS OF CONDUCT

1. Military personnel and their dependents, while occupying off base community housing, will abide by all local laws and ordinances and the provisions of leasing agreements which are binding contracts. They will extend the same respect toward local citizens and their property as is required while living on base. Failure to comply will tend to negate the substantial gains currently realized and the attainment of full community acceptance of all military personnel and their families.

2. The following reminders should be helpful in maintaining good tenant/landlord relationships thereby contributing to the continued enhancement of the image of military personnel and their families:

- a. Payment of rent and other fees by due date.
- b. Conservation of utilities.
- c. Maintenance of the interior of dwellings in a high state of cleanliness.
- d. Control of children and pets.
- e. Avoidance of damage to private property, but when damage does occur, make necessary repairs or pay assessments promptly.
- f. Learn and abide by all house rules, particularly in multiple dwelling units.
- g. Notify the owner or manager promptly of needed repairs.
- h. Avoid disturbance of your neighbors by late evening noises.
 - i. Read and come to an understanding of all the terms of the leasing agreement, and abide by them.
- j. Give 30-day written notice to vacate occupancy IAW California law.
- k. Leave the facilities in a clean undamaged condition, ready for immediate occupancy. This should be done even if not spelled out in the leasing agreement.
- l. Housing Management Office personnel can be called for final termination inspection of your apartment. We will inspect at the time the landlord/owner/agent inspects your apartment.
- m. Legal assistance is available from Base Staff Judge Advocates. Assistance should be requested to ensure leases and other related papers are correct.
